I've already sent this out, but I wanted to give a final reminder to I'm resending it:

The Penn Debate team will be hosting the NW and NE District debate tournaments on Friday 1/19 (starting after school) and Saturday 1/20.

We will be using a variety of rooms. Please look at the list of rooms. If a room you use is on the list, please put away any personal items. Debaters understand that they are not to enter rooms before judges (adults) are in the room. However, I always suggest that you put away any personal items to make certain that nothing happens to items that are important to you.

If you have questions about this, please let me know.

Dawn Troyer (debate coach)
